PUBLIC NOTICE OF APPEAL

TO: All Interested Parties
FROM: S.C. Department of Health and Environmental Control
SUBJ: Tim Burke, OCRM-06-229-F
DATE: March 16, 2007

The Department has issued a permit to Tim Burke for a private dock on and adjacent to Simpson Creek at 855 Targave Road in the Clarks Point Subdivision on James Island, Charleston County, South Carolina.

Karen Bennett has requested a contested case hearing before the Administrative Law Court.

Intervenors: A motion for leave to intervene, with the \$25 filing fee, shall be filed with the South Carolina Administrative Law Court, Edgar A. Brown Building, 1205 Pendleton Street, Suite 224, Columbia, South Carolina 29201, (telephone 734-0550) and served on all parties and shall state the grounds for the proposed intervention, the position and interest of the proposed intervenor, and the possible impact of the intervention on the proceedings. A proposed answer or position in intervention shall be attached to the motion.

Any person may intervene in any pending contested case hearing upon a showing that:

- (1) the movant will be aggrieved or adversely affected by the final order;
- (2) the interests of the movant are not being adequately represented by existing parties, or that it is otherwise entitled to intervene;
- (3) that intervention will not unduly prolong the proceedings or otherwise prejudice the rights of existing parties.

The motion for leave to intervene shall be filed as early in the proceedings as possible to avoid adverse impact on the existing parties or the disposition of the proceedings. Unless otherwise ordered by the administrative law judge, the motion to intervene shall be filed at least twenty (20) days before the hearing. Any later motion shall contain a statement of good cause for the failure to intervene earlier.

A person granted leave to intervene is a party to the proceeding. The intervenor shall be bound by any agreement, arrangement or other matter previously determined in the case. The order granting intervention may restrict the issues to be raised or otherwise condition the intervenor's participation in the proceeding. If appropriate, the administrative law judge may order consolidation of petitions and briefs and limit the number of representatives allowed to participate in the proceedings.

SPECIAL NOTES

***DMPs** Dock Master Plans - OCRM is reviewing the listed DMPs for planning purposes only. Permitting decisions will occur when future dock applications are processed by OCRM for individual property owners. This document is used as a planning tool it is not subject to the appeal. OCRM welcomes comments from the public on these planning documents.

****WMPs** Wetland Master Plans - OCRM is reviewing the listed WMPs for planning purposes only. Permitting decisions will occur when future applications are processed by OCRM, which include impacts to freshwater wetlands. This document is used as a planning tool; it is not subject to appeal. OCRM welcomes comments from the public on these planning documents.

*****SWMPs** Stormwater Master Plans - OCRM is reviewing the listed SWMPs for planning purposes only. Permitting decisions will occur when future applications are processed by OCRM. OCRM welcomes comments from the public on these planning documents.

******PERs** Preliminary Engineering Reports - OCRM is reviewing the lists PERs for the purpose of commenting to other sections of DHEC concerning this document. OCRM will not be issuing a coastal zone consistency certification at this time but providing comments. If this proposal moves forward to the permitting process, OCRM would at that time do a full coastal zone consistency review.
